CASCADE CAVE

Cascade Cave is one of the largest of over 200 caves in Carter County and is noted for its large chambers and numerous cave formations. A highlight of the tour is an underground waterfall over 30 feet high. Although a short drive is necessary to reach Cascade from the main park, the inconvenience is most rewarding.

BAT CAVE & SALTPETRE CAVE CRAWLING TOURS

On these tours you will get to see the wild, dark passages of these caves. The tours require hands and knee crawls through some of the dark and dirty passages winding through the caves. Saltpetre Cave tends to be dry and dusty, while Bat Cave tends to be wet and muddy. These tours are somewhat strenuous and not recommended if you are claustrophobic, have back problems, knee problems, or in bad health. The tours are 2 ½ hours in length and require you wear long pants, long sleeve shirt, close-toed shoes. Everyone must have a dependable flashlight with new batteries. Kneepads and Headlamps can be rented for \$5 per person.
